

Volunteers Needed!

The LGA Needs Your Help to Manage & Enhance Native Aquatic Vegetation on Lake Gaston

To Volunteer or Get More Information Contact :

Wally Sayko, wasay1943@gmail.com, (434)774-0715 or
Judy Waters, judyh2osLKGsurvey@gmail.com, (804)387-1124

Work days are tentatively planned for Tuesday June 24 and possibly Wednesday June 25, 2025. Additional information will be made available as plans are finalized. LGA volunteers work with the Lake Gaston Weed Control Council, NC State University, NC Wildlife Resource Commission and VA Department of Wildlife Resources to improve native vegetation in Lake Gaston

Managing native vegetation is critical to ensure continued lake water quality and viable fisheries!

Students can receive a letter from NCSU acknowledging volunteer hours!
